
15th PLM Solutions User Conference, October 7th at the COEX, Seoul, Korea

Our official reseller in Korea: **Daesung** attended the 15th PLM Solutions user conference at the COEX, Seoul, Korea on October 7th.

For more information about our partner: Daesung, please visit: <http://www.dscsi.co.kr/> and feel free to contact them directly at james@dscsi.co.kr rocama@dscsi.co.kr

15th PLM Solutions User Conference is the largest user conference covering end-to-end PLM market in Korea with the 1,500 audiences. It provides the most up-to-date information of Dassault Systèmes' advanced PLM solutions, user testimonies around CATIA, ENOVIA, and SMARTEAM, as well as PLM marketing strategies from DS group and IBM.

Dassault Systèmes and IBM PLM will provide more than 25 sessions during the event, featuring the latest innovations and advancements with CATIA, ENOVIA, and SMARTEAM solutions.
